

## ATTENTION SWIM TEAMS AND GROUP/TEAM BUYERS!

Where are you buying your suits and equipment?? Is it time for a change?

Swim Zone Aquatics can:

### 1) GET ANY SUIT YOU WANT!

Since most group orders are large quantities, we arrange to have them “drop-shipped” from the manufacturer directly to you. So you are not limited to only the items in our catalog. Want a different Speedo, Nike, TYR, Arena, Dolfin or Hind than we show? Let us know. And if you need a catalog from these manufacturers to see their full line, we can get that to you too!

### 2) OFFER YOU SPECIAL PACKAGES

Make it easy on yourself—we have packages already designed for you! These include a first line, quality solid racing style swim suit, a goggle and a latex cap together as a combination package at a fantastic price. Suits are available in Black, Navy or Royal. It's the easy choice at a great package price.

### 3) OFFER VOLUME DISCOUNTS ON MANY OF OUR ITEMS

Almost anything in the catalog can be bought for a lower price if you buy 6 or more of the same item. If you don't see group pricing listed on the page, give us a call or Email us.

### 4) IMPRINT CAPS, T-SHIRTS, BACKSTROKE FLAGS AND MORE

Need your logo on your caps or other items? We work with the best imprinters to personalize many of our items. We only imprint items we know will last and be durable, so check with us and see what can be done with your logo!

We have a special team set up to work with you. Call 1-800-751-1530 (International: 513-979-0818) and ask for Group Sales or select extension 107.
