## NEW FLORIDA NCMHCE TEST BEGINS IN 2001

There will be a new test in 2001 and we are one of the few qualified and experienced trainers certified to teach it. Instead of a 4 hour section of the exam on Florida Law, you have to take an 8 hour course, get the CEU certificate, before you can sit for the NCE portion of the exam. And...we teach this class too! [Go see the description of the Florida Laws & Rules Class.](#)

## NEW NCMHCE BOOK LAUNCHED; RESULT OF COLLABORATION WITH 20 PRACTITIONERS!

Prepare for Success announces the launch of their new book for NCMHCE workshops. Through their extensive connections in the field, Carmen Stein and Tom McCormick partnered with over 20 licensed, very experienced and respected clinicians to write practical case studies for students. The case study method is an established way to teach difficult, real life situations, and is used extensively at top school such as Harvard. **No one else in the licensure exam field is offering such an intensive and exclusive benefit!**

## CLASS LOCATION INFORMATION

We teach classes regularly in Florida on the weekends so you don't have to miss work: Tampa, Miami and Orlando. And, we will hold special classes for groups of 6 or more! [E-mail us](#) or call us for more details.
