NEW VOTING MEMBER--IT'S ERNIE...AGAIN!

A retired army pilot, healthcare administrator and business owner, Ernie has lived in 47 locations over the years! He and his bride of 39 years, Beth, (along with their two cats and red Doberman pup, Star) have called Greensprings home since June 2000. Ernie enjoys painting, gardening, and birding, and has found the Greens is the perfect place for all three. "A sandhill crane, an endangered species, walks around my yard every morning," he says.

Ernie relocated from Fort Walton Beach, FL to be with his daughter Sandy Smith and her family, also of The Greens.

Ernie also has a daughter in Austin, TX and a son in Watertown, NY-and a grand total of seven grandkids. Don't be surprised if you find him knocking on your door: An active Westchaser, he's also a member of the neighborhood welcoming committee and volunteers at Westchase Elementary. By being involved with these activities, he knows many of the issues and concerns of Westchase. Also, in the last two years, he has been the Chairperson for two Foundations, and on the Finance Committee and Church Board.

He has lots of experience: "As a retired Military Officer, Hospital Administrator, and Business Owner, I have been responsible for all management policies I have been affiliated for each of the complexes and organizations. In my last assignment in the military, I was the senior military officer for the Department of Defense Military and Civilian World Wide Medical Program for over 8 million people."
