Monique Agree is a kindergarten teacher who is really fun and a bundle of energy.

Her summary statement was carefully crafted to give key clues to the reader. She wanted to make sure that her summary statement and layout would be sure to catch a principal's eyes. She wanted to find a school and principal that would be comfortable with both her assertiveness and creativity. Additionally, one of her distinguishing characteristics was her desire to be involved in everything from PTA to special projects, so we were sure to mention that. The "playful" nature of the font and layout helps communicate her enthusiasm and spunk!
