# Greens Residents Survey

**Join E-mail lists**

I have been requested by several residents to determine what the opinions of the residents of the Greens are in reference to Traffic Calming. Approximately 6 per cent of the residents have said to me that speeding is a problem on Gretna Greens Drive. No residents have said the streets off of Gretna Greens Drive are a problem. Since the streets in the Greens are private streets, the Community Development District, East have the responsibility to making improvement and the maintenance of roadways in the areas such as the Greens. Therefore the residents in a village must support these types of modifications and maintenance repairs.

**Meet Voting Reps**

I would appreciate if you would take approximately 30 seconds to answer the following questions.

If you prefer, [you can use the Word Form of the survey](#) and email it directly to me instead--
